

Exclusion from health

Homelessness

Family refusal

Sexual Violence

Financial Insecurity

Police Violence

Domestic violence

LGBTI community/friends rejection & loss of trust

Online smear campaigns

RISKS

"We want them [other lesbians] to be able to form the families we couldn't.

The younger generations are having healthy, happy relationships, building secure lives, [...] in ways we were unable to. We want these lives for them."

(HRDs, Zimbabwe)
